QUALIFICATIONS: Bachelor of Economics (Monash University)
Senior Associate, Australian and New Zealand Institute of Insurance & Finance
Affiliate, Australasian Institute of Chartered Loss Adjusters

EXPERTISE:

- Personal Injury
- Product Liability
- Product Guarantee / Recall

EXPERIENCE: 22 years experience

Derham heads up the liability division and commenced his loss adjusting career in 1991 after three years experience in the investigation of WorkCare claims and common law matters. Based in Melbourne, Derham now heads the Crawford National Liability Team and has overall responsibility for the product line.

Derham specialises in major personal injury claims, product liability losses in addition to product guarantee/recall claims. His experience in personal injury claims relates predominantly to litigated matters. Much of his personal injury claim work derives from government departments, sports injury insurers and public utilities. His involvement in product related losses covers a broad range of industries including plastics, packaging, glass manufacture, food products, pesticides and chemicals.
